Making Treatment Decisions

It's really important to understand the benefits and risks of each treatment that you talk about and consider with your doctor. Weighing the pros and cons will help you make decisions that are right for you. Use this worksheet to write down notes and questions and share it with your treatment team. Make sure to discuss treatments you've tried and anything else that's important to you.

Option you're thinking about:

+ Pros	- Cons

Questions or other things that matter:
