Message from the Founder

Dear friends and family,

It's that time of year again! We are gearing up for the "14th Annual Jersey Shore 5K for Kidneys & 2-mile Walk". Registration will be open for all at 7:30 am with the race starting at 8:30 am and the walk at 9:15 am.

So much has happened since our event last year. We were able to raise in excess of 45,000 for research at the University of Alabama-Birmingham and an additional \$12,500 towards the GIGA Kids study at Columbia University. Both of these facilities have answers about IGAN and we are looking at a human trial in the near future for some of these therapies. All of this would not be possible without your support and we are so grateful to you for believing in our mission.

We hope you will join us on Sunday, June 10th, 2018 for our "14th Annual Jersey Shore 5K for Kidneys". We promise to make the day really fun with lots of food, gift auction, prizes and entertainment. So lace up those sneakers, bring your family, friends, dogs and beach chairs and let's make a difference in the lives of so many with kidney disease.

The Schneider family and the IGA Nephropathy Foundation of America thank you! We are truly blessed to have your support.

God Bless,

Bonnie Schneider
