Message from the founder

We are so excited to celebrate our 16th year with you. Some of this year's milestones are grants to University of Alabama Birmingham and Columbia University for \$50,000, helping fill clinical trials for IGAN with our Pharma partners and having our first Annual IGANF Spark 2020 which is a day symposium full of education for our patients and their caregivers. Again, none of this would be possible without your support.

To celebrate all of these accolades we would love for you to come this year and celebrate our big 16! We have lots of fun and surprises planned for the entire family. So, lace up those sneakers, bring your family, friends, dogs and beach chairs and let's make a difference in the lives of so many with kidney disease. As always, the Schneider family and the IGA Nephropathy Foundation of America thank you. We are truly blessed for your support.

God Bless,

Bonnie Schneider
